Club for riders in Oxfordshire, Warwickshire and Northants

CROWN is an affiliated riding club with the BRC Area 5 for riders in Oxfordshire, Warwickshire and Northamptonshire. Since our launch in January 2014 our membership has increased year on year. CROWN welcomes riders of all abilities, from beginners to the more advanced rider. We also welcome individuals who may not ride themselves or have a youngster that's unable to take part in ridden activities yet. Whatever your circumstance, there is always something for everyone. Our membership runs from the 1st January to the 31st December and we offer full riding membership to adults and juniors from thirteen years of age as well as non-riding membership.

CROWN truly believes that there is a firm place in the local equestrian community for a forward thinking, creative, fun and professional club and at CROWN we pride ourselves on offering our members lots of support and encouragement to help them reach their personal goals and assist them in whatever way we can on their journey to success. With regular training every weekend and summer week day evenings, we have sourced the best local venues across the three counties and top local instructors who boast a wealth of experience in dressage, show jumping and cross country. All information on our trainers can be found on the trainers' page of the CROWN website (www.crownriding.co.uk) and all training dates are available under the events tab. We absolutely believe that the key to life is variety and trying something new and different and CROWN offers just that. We offer activities such as equine spas, experience days, talks, demos, and introductions into other areas of the sport such as polo, natural horsemanship, and horse agility to name but a few.

On top of this we run a spring, summer and winter camp at the fabulous Unicorn Trust in Stow-on-the-Wold as well as a very popular Stressless Dressage League. In addition to this we will also be running Stressless Showjumping competitions in 2021!

We are extremely delighted to have the opportunity to hold our Halloween Hunter Trial at Swalcliffe Park Equestrian, by kind permission of Mr and Mrs R Taylor after what has and continues to be a challenging year with COVID-19. We would like to say a heartfelt thank you to Swalcliffe Park Equestrian, our sponsors, trade stands, photographers and to all of the competitors for taking part and supporting this event today. We would really appreciate it if you would all take the time to read through our event sponsors information and support their businesses where possible and we hope that you enjoy the day and look forward to seeing you at future CROWN events.

With thanks CROWN Committee

Maverick Equine services is a holistic Sheath Cleaning & Equine Hygiene service provided by Kerry Law.

EQUINE SERVICES
RICK

Through her trying to assist her own horse, Maverick, with his various health issues in that area, Kerry was trained to clean sheaths by her own vets over 6 years ago.

This then progressed to cleaning friend's horses plus through word of mouth recommendations over the years, Kerry saw there was a real need for this service.

A sheath or udder clean can really make a difference in the horses way of going and their overall comfort.

Kerry is happy to attend to all types of horses, both mares and geldings, including horses and ponies who have never had a sheath/udder clean.

The service includes using both Reiki, Animal Communication and also high quality natural products (Forever Living Products) to ensure that your horses comfort and wellbeing are paramount.

Please contact Kerry Law for further details.
